WHAT'S HAPPENING IN...

*In **literacy**, we are working our way through the alphabet during ABC Bootcamp. We will conclude our letter study with a fun fashion show, showcasing each letter. We will also begin learning some of our "snap words". Snap words are words you see often in text. Our "snap words" for this month are: the, like, can, I, see, we, and on.

*In **math**, we will focus on the numbers 6-10 and begin learning about 2D shapes. We will also work on subitizing and dice patterns.

*In **science**, we will investigate pumpkins.

*In **social studies**, we will learn about fire safety.
